The Lady:

Bonnie/Cheryl is a Blonde Danish lady of 5'6", 25 year old, very good English and easy to chat with, slim with 34dd breasts,

The Story:

After a shower, I got Bonnie to lay over my knee and I spanked her bum, a great way to build up contact, we then kissed, she is not going to french kiss, but does kiss on the lips well.

we lay and cuddled on the bed after she gave me a very good massage, and then proceeded to give me hand relief at my request, while i stroked her lovely boobs, and massaged her pussy, this was done very gently as it was that type of booking, and Bonnie certainly gave me more that I expected, so much so, that I gave a tip as I do to some girls who give me a great service, but she refused to accept this, saying she di only the basic service.

I think this speaks volumes of her that she said no but thanked me by kissing me, A great girl and so damn hot...lovely accent.
