The Lady:

Lovely lady with a mischievous smile, tantalising glint in her eyes and a superb body. Smartly dressed. aptly protected from the cold Glasgow night in one of her famous fur coats (cuddly).

The Story:

At last - an appointment with Susan! Communication was excellent throughout the arranging phase. Susan arrived at the hotel bang on time but was delayed at the lifts. Then disaster nearly struck. She went to the wrong door but fortunately didn't get a reply. That sort of broke the ice and we settled into a nice rapport.

Susan provided the services we had previously agreed expertly and enthusiastically. We then lay back and put the world to rights. Susan is an able and amusing conversationalist.

Once you have met Susan it is difficult not to fall in like with her. I am already juggling my diaries to arrange our next meeting.
