### The Premises:

Hotel in Aldgate and other locations in East London

### The Lady:

beautiful petite brunette; blue eyes; classy and very slutty

### The Story:

Cute and submissive, very accomodating and open minded. Excellent oral, always with CIM and lingers in to suck you well and dry, and one one occasion took a nice facial blast. Licks balls on demand; decent deep throath and takes a face fuck reasonably well -- particularly if you tell her you're about to cum.

Sex is also excellent and she has good stamina. Never asks you to stop. Ready to go when you are, and can certainly take 2 rounds (and two mouthfuls) in the hour.

A true whore who I think and assume gets fucked repeatedly every day, but her enthusiasm does not seem to be getting a dent. She's off to Nottingham often (unfortunately), but I may very well stop by and see her next time my travels take me there.
