### The Premises:

On the outskirts of Telford, a substantial private house which is comfortably furnished. A discreet location, with safe parking on the drive. Easy to find, but in any event Gina provides clear directions and a final talk-down: mission control par excellence!

### The Lady:

Zooming in, you are struck, in sequence, by a tremendous trim figure, elegantly dressed, auburn hair in soft natural curls, and lovely brown eyes. Overall, an extremely attractive package ? you are simply drawn in to get closer.

### The Story:

Gina is a class act, which shows in a variety of ways not all of which are obvious until you think about them afterwards. Small things, like a jug of water and glasses on a side table in the lounge, show that the meeting has been thought about and prepared for.

Conversation flows easily: if you need putting at ease, she is masterful at doing so; as you get to know her a bit better, she reveals a warm sense of humour and is great company. It would be easy, and very satisfying, to spend all the time chatting and gently flirting. Not that she will let that happen.

Once upstairs (if you can cope with following close behind that lovely figure), the experience is pretty much exactly as Gina promises: it?s sexy, sensual and exciting. She has supersoft skin which repays gentle caressing, and there is a beautifully balanced flow of giving and receiving attention. On the giving side, Gina demonstrates a delicate touch, sensitive kissing and well modulated oral skills. On the receiving side, she is flatteringly responsive. All the right ingredients for an unrushed encounter which manages to be both stimulating and relaxing.

I?m sure there?s a wild side to Gina if you want to find it, but from a personal perspective the soft and gentle approach is as rewarding as you could wish for from a meeting.

Recommended? - absolutely.
