The Lady:

What an angel, she is far better looking in the flesh than the photos she has up. What wonderful body and an amazing tongue she knows how to use well!

The Story:

Started with a great snog and a grope before Alicia gave me a relaxing massage. Then proceeded to go on to OWO and rimming with those gorgeous lips and pierced tongue which was fantastic.

More mutual fumbling and groping in addition to snogging before i gave Alicia her first orgasm of the day! (hopefully not the last)

Then went on to a great shag with her on top, letting Alicia have complete control of my cock.

The hour just flew by and before i knew it i was dressed and ready to go, what a wonderful GFE! Top marks for attention to detail and wonderful time.

Thanks again Alicia !
