The Premises:

Near warrior square hastings st Leonard's. Gurkha restaurant on the corner of warrior square. Turn left walk along the sea front her place is 50 metres away
This place looked and smelt like a crack den. Pretty scary.

The Lady:

About 40. scruffy. Greasy hair. Chubby. Smelly.

The Story:

Worst punt ever. Walked out after getting "robbed". See this woman on aw. Profile looked good. Photos looked good. Spoke to her on the phone. Felt good. How wrong was I ? ! Her photos on aw must be ten years old. Heard her talking to two men in the kitchen. Think she was smoking crack while I was waiting in the stinking bedroom. Felt intimidated. Made my excuses and left minus 120 quid. Avoid !!!!! Had good feed back on aw. Obviously false.
