The Premises:

Well known. Couldn't be safer or more discreet in town centre and always a friendly welcome and absolutely no rush.

The Lady:

Mature and still in good shape with a lovely natural manner that reassures you you are going to have a good time. A hint of Amy Winehouse about her look but prettier and a very nice bronzed skin tone.

The Story:

I don't often book with more mature women and then when I do I wonder why I don't do it more. Shanel is definitely a case in point. Had seen her around before and like her character.

Now I found she is a lady fully at ease with herself as a woman and as a sexual being - and I had a brilliant time.

Lots of easy chat, lots of snogging and fondling, lots more chatting, lots of laughing, lots of licking and sucking, lots of loving.

All just so relaxed but also intense in giving pleasure to each other.

Nothing I wanted to do was discouraged or curtailed and things were going on around my body I had no intention of stopping either. Shanel is vocal in her responses while I am not but we both knew things were going well and were both having a fine old time of it.

I like to think I made a good friend in 30 mins and found one heck of a fuck buddy at the same time.

Shanel gives this business a very good name and I will treat myself to her company again.
