The Premises:

Basement flat in a nice area. Warm, comfortable. Shared with another provider and a maid.

The Lady:

Think of her name, and that's what she looks like. 5 feet 6 inches. Short blond hair. Slim, with lovely breasts and a cute but sexy face. One look at her and you know you're going to have a good time.

The Story:

She started with a kiss and then undressed me. Paid some attention to my cock and then we moved to the bed. A lot of kissing, and nibbling on various parts of my body. If she wasn't enjoying it, she's a very talented actress. Some very light domination. Lots of OWO, with a few pauses now and then so I could cool down. Then some cowgirl, followed by more OWO until I came. A few minutes rest, then round 2. More kissing and OWO, followed by mish. Either she came or she faked it very convincingly, and I definitely came.

This may have been the best punt of my life, thanks to Pixie's attitude and her skills. If I were told I could only make love to one woman for the rest of my life, I would definitely choose Pixie.
