### The Premises:

First-floor flat in a side street off the main shopping centre area. So it's safe, but you might bump into your kids' babysitter as you walk out of the door. :-)

### The Lady:

Amy is about 22. She claims to be Spanish but her accent sounded more Eastern European. Very nice tight body and shaved pussy.

### The Story:

Paid ?50 for covered oral and sex, plus another ?10 for reverse oral (I hate paying extras - would have preferred to pay ?60 all-in LOL). Didn't ask if anal was available. No kissing at that price. Serviceable BJ but with tight condom (memo to WGs: get a supply of different size rubbers in for men like me with short fat cocks). Quite enthusiastic sex in several positions. Shower was available but I didn't use it.

Overall, not bad, I certainly walked away with a smile on my face, but you can also find better for the same money.
