The Premises:

Linda and I had spoken the day before, she agreed to see me once my dinner with colleagues was over. We exchanged texts and she arrived, discreetly, at my hotel exactly on time.

The Lady:

Lindy is stunning. She is 5'10" in her heels, with a very pretty face, beautifully made up, with short bobbed blonde hair, and was wearing pretty underwear under a little black dress.

The Story:

Linda arrived, took off her overcoat and went to the bathroom to get ready. She emerged, and while we chatted, she took off her dress to reveal a beautiful body and gorgeous underwear. Linda really is both pretty and beautiful at the same time, and is very sexy, a drop dead gorgeous woman.

I had showered, so was wearing a dressing gown that did little to hide my interest in her. She joined me on the bed and unpacked her small bag, getting some lube, condoms and a small collection of dildos ready. As we chatted, she decided to start kissing me, full on, while we embraced on the bed. She soon decided to remove her bra and knickers, exposing very well enhanced breasts and a neatly shaven pussy. She explained, quite openly, that she tended to come just once during sex, and asked if I planned one or two orgasms. I explained one would be enough, so she offered to take it slowly. She started by giving me deep throat oral, taking all of me in her mouth, while I felt her obvious assets. We progressed through more kissing, reverse oral, fingering and her holding her pussy over me for some gentle licking while she played a vibrator over her clitoris.

Finally, she slipped a rubber over me, and climbed on my dick while continuing to use a little vibe on her clitoris. She brought herself off, and rested a while before continuing to suck me. I asked to lick her pussy from behind, she slid down the bed and opened her legs a little. I licked her rosebud, pussy and clit before she raised her bum in the air for an easy entry. A little gentle shafting brought me to a deep and very satisfying orgasm, she moaned to me to cum deeply in her pussy as I did just that.

During recovery, she cleaned me down and we chatted a while longer before she dressed and left,

leaving me in a crumpled heap on the bed. Lindy is probably the best punt I have ever had, and some of the best sex as well. Yes, a little expensive, but truly worth it, a very sexy, elegant and intelligent lady who can hold a good conversation but knows how to fuck with the best. A class act, thank you Lindy.

She mentioned doing 3somes, but I may just save up for a longer meeting next time, the memory of this one will stay with me!
