The Story:

I have seen Victoria a few times when she was an independent on a solo basis and as a duo with a friend of hers. Nice girl with good skills. However, previously she was super beautiful with the looks of a 1950s movie star - unfortunately in the gap since last year she has packed on the pounds. Not overweight but not lithe and toned as I prefer - plus the extra pounds show on her face. Also felt we were lacking chemistry. I would recommend as she is great at what she does, is kind, fun and intelligent - and still very beautiful. But I shall not return as I have my type and she no longer fits the bill. As she lives outside London she is not always on the website.
