Krystele 5`3" blonde very attractive green eyes perfect enhanced boobs and a few delicate piercings very friendly and excellent at dom. Roxanne 5`9" long black haired beauty with green eyes beautifully curves in all the right places raunchy and very naughty.

The Story:

I have seen both of these girls a few times seperately today I was visiting Kyrstele but as Roxanne was also working I was struggling to choose between them . Krystelle suggested that I should book them both and my cock instantly agreed. The receptionist suggested the mirrored room to make the experience more special.I had stripped and the girls entered the room stripped and began pleasuring me . I was stood up and we kissed and caressed each others bodies.My cock was rock hard and both girls took it in turns sucking me whilst the other kissed me. My hands were busy fingering their pussies pinching nipples and squeezing their ample breasts.At one stage I looked down and what a pleasure it was to see Roxannes mouth deep throating me as Krystele was sucking my balls. We moved onto the bed and I asked Krystele to sit on my face whilst Roxanne continued deep throating my cock. I was in sheer heaven after a few minutes they swapped position Roxanne rode my face like a good one as I lapped away at her lovely wet pussy Out of the corner of my eye I could see Krysteles lovely arse stuck up in the air as she was bent over sucking me. I couldnt resist spanking her and once I started Roxanne encouraged me saying she was a bad girl for sucking my cock. I hope Krystele punishes me for this next time I visit her.Time was moving on so Roxanne decided she was having my cock and straddled me whilst Krystele kissed me and pinched my nipples.As Roxanne fucked me her huge tits were bouncing up and down. Krystele encouraged me to fuck her hard so I began thrusting into her. Roxanne responded by squeezing her pussy tight around my cock and soon I was exploding into her. I've had some great punts with these two girls but both of them together was an experience I'll never forget. I only hope the management will persuade them to work together again.
