The Premises:

It advertises Oriental ladies but offered a lady from 'Spain'. Near Queensbury tube station. It was located in a road that looks a bit dodgy to be honest. Not sure how I would feel at night, but it was ok in the day time. The door was answered by a male.

The Lady:

Dark haired woman about 5'5. To be blunt she was fat, but had big tits (dd maybe). She was very friendly though and she said she came from Spain, but I suspect she was from eastern Europe.

The Story:

Was not expecting much for ?50 and got a basic but ok service. Basic massage and short covered oral (not bad really). Finished off with a good old fashion missionary position. We chatted a bit afterwards. Nice enough lady.
