The Premises:

Felt very safe in a residential area just moments from Earls Court Station. Very clean inside, very friendly.

The Lady:

Simply stunning. I was actually lost for words when she walked in. Very fit body, sexy tattoo, incredibly sexy legs and ass... beautiful breasts. 10/10

The Story:

This was my first punt ever and it's all I've been thinking about for a week! From the moment she walked in I couldn't quite believe I was about to share the next half hour with such a sexy woman. I couldn't take my eyes off her body. I didn't mean to stare but Kim is shockingly sexy.

She asked what it was that I wanted to do and we got down to it and boy does she get into it. I will definitely be returning. 30minutes was in no way long enough. To be fair, I was taking my time absorbing my surroundings for the first 10minutes before we even got started. I've never seen so many toys in one venue in all my life! Can't wait to see Kim again! Will be booking an hour next time for sure so we can use all those toys!
