The Premises:

Very close to Ealing Common tube, very safe and easy to find. The flat has a few rooms this one was functional clean and warm. The shower is very high a mini bath more like a plunge pool.

The Lady:

She is a pretty blonde woman. Tall with very full breasts, spanking body and a big smile on her face.

The Story:

A very pleasant sexual encounter on a very cold day. She sucked my cock as a finished drying my body. I was sliding my hands over her lovely body as she continued to lick my balls and suck. Condom on and into missionary which she calls 'classic sex', loved it and would have loved to pump for as long as possible. I wanted to DATY and this I did for sometime a sweet tasting cunt which I fingered vigorously whilst sucking on her tits. On to sex in spoon position, classic 2 I assume, It seems that Camilla is not keen on riding rather being ridden. I came in the condom in her pussy. A relaxing massage followed and I went out into the cold feeling a lot warmer. I was introduced to her flatmate and mate with her I want.
