The Lady:

Jennifer has the most gorgeous face with a naughty smile and has an amazing tanned slim smooth body with all the curves in the right places. The perfect Latina seductress!

The Story:

She greeted me at the door wearing some amazing and sexy underwear?..a nice surprise considering the weather?but who am I to complain. As she sexily led me to the room I knew I was going to be treated to some hot-blooded Latina passion and I was not disappointed.

Jennifer was very willing to please me and fulfill my fantasies. She is a real lady of pleasure and provided a really good enthusiastic GFE service, concentrating on giving the most pleasure she can!

Between rounds she gave me a fantastic back rub and we chatted about various topics and had a good moan about the weather !

All in all this is one very very special girl. As well as being intelligent, she knows the special things on how to make a man happy. I cant thank the agency and the super friendly receptionist enough for organising such a beautiful and sensual liaison with such an exotic beauty. Just what I needed to restore my faith back in the London escort scene. Already planning our next meeting??See you soon baby.
