The Premises:

on an ind est easy access, nice rooms, nice atmosphere etc etc, there was Brooke, Keeley & Rio on that day, Brooke was busy but Keeley and Rio are both stunning girls, I would have had the pair of them if I had the money on me as it was a difficult choice

The Lady:

Keeley is about 5' 8", with long black haie, a great figure, she was wearing stockings and a basque type thing, very very sexy and she is a really nice girl to boot

The Story:

had a massage, face down first, Keeley was naked all but her panties, she gave me a body to body massage and was feeling me wedding tackle from behind, I turned over and she was straight onto by old chap, giving me fantastic owo, I had to stop her otherwise I would have shot my load there & then, She removed her panties and I returned the favour, she was really enjoying it, I was licking & fingering her tight sweet pussy and I made her cum after a few minutes, she got a condom out, I knelt up and she gave me some more owo, on with the condom and shagged in missionary for a while. Keeley was giving it a bit of dirty talk and after a few minutes I liked her a few more times then popped it back in an finished off.

A great punt with a lovely girl, I will be back for more of the same, only this time I will have to have a go doggy as Keeley said when we finished we didn't get to do it doggy which I guess she likes
