The Premises:

HOD South Ken. Met by the more lovely and friendly by the day Rhianna... I wish.

The Lady:

Absolutely gorgeous. As per photos. Probbaly the fittest HOD girl I have seen.

The Story:

I saw Avaline on her first few days at HOD SK.

The photos dont lie. this is one fit looking girl. I'd say 21 is true. killer body; long legs, tiny waist, flat abs, amazing tits, pretty face. As requested, she turned up in tight super short black dress, no underwear and killer heels. i could have jerked off just looking at her. she is young and fit as fuck.

but but but.. a bit too ridgid; a bit uptight. No fk or dfk. No CIM. she does OWO pretty well; a little wet and messy which i like.

She's quite 'straight' in her delivery. Doesnt speak much english, so its tricky to work out how far she will go and what you can do. She tends to reach down and hold the johnny on - that or she doesnt like it too deep, so it's bit odd. See report 112801.

but here's why overall I feel this is a positive rather than negative review; I'd popped a Priligy pill a couple of hours before and that meant I knew I wasnt going to cum anytime soon. I worked out pretty quick that once i was fucking her, it would be good. It was for me.

Its not often you are faced with such a young, super fit girl. Doggy, mish and cowgirl all tried. So, having that hot body and mish with her hard for a long time (well, for me anyway!).. that made it a good punt in the end. She's sweet and cute and as friendly as language will allow - and there nothing wrong in that.

In a way the contrast between all the super dirty and experienced HOD girls (lara / pixie / ella etc)

was worthwhile.

So, if you want engaged and playful and experienced and super dirty she's not for you. Want to have your way with a very cute girl and know that's all you'll get, go for it.

And hopefully, in 6/12 months, she'll widen her 'services' and I'll be back for sure.
