The Premises:

Easy to find location midway between Bayswater and Notting Hill Gate. Doesn't look much from the outside but Coco's own flat is immaculate inside. Large bedroom with mood lighting (and glow in the dark stars on the ceiling) complemented by a vast bar. There's no bathtub - so no option of shared baths here - but the shower is clean and functional.

The Lady:

Coco is a little older than her photos might suggest, of average height, striking features, and has an incredibly well-toned, slim body - there's not an ounce of fat on her. I'm not usually a fan of enhanced breasts but Coco's feel very natural and suit her frame perfectly.

The Story:

What's immediately apparent when meeting Coco for the first time is just how she takes pride in her work, and in looking after her customers. Her room has an immense fully stocked bar, plus a range of snacks for those with a sweet tooth. She really goes that extra mile to be an excellent hostess.

After a quick shower and a glass of wine, it was down to business, and Coco provided a wonderful GFE encounter. Her oral skills have been well documented here already, and this was coupled with plenty of DFK and leisurely sex to completion. After that, a relaxed massage and plenty of chat before a second round of oral action. I'm sure more services were on offer, should I have requested them.

In summary, a great hostess who provides a very professional, customer-focused service, with a superb OWO technique and a killer body.
