The Lady:

Amazonian beauty!! Ariella is 6ft 2 and a bit in her bare feet. If you are looking for a tall powerful woman with the biggest tits you've ever seen - 40HH!! - then this is the girl for you. She is really beautiful as well - with amazing lips and stunning eyes

The Story:

I've got a bit of a thing about very tall women and i've been on the look out for the very tallest - i.e. over 5ft 8. I absolutely couldnt believe my luck however when I found Ariella. Not only is she the tallest - but what an incredible body!! The even more exciting thing is that she's into domination and fantasy wrestling. Now some ladies who are dominatrixes or into wrestling an BDSM are a bit scary. But, Ariella is a mistress of role play. When you're in the 'game' she's as scary as you want - but you know that she's always going to respect your limits and that makes the whole experience just incredible. I can honestly say i never thought I was ever going to experience what i did with her. I'm only 5ft 6 so when she turned up with 5 inch heels i was literally on eye level with her massive chest. She's incredibly strong - and was easily able to pick me up and throw me around with ease - which was such an awesome prelude to what happened after.....;-)

I'm also incredibly excited to tell you al that she's coming to Cardiff on tour soon - and I can hardly wait!! ;-)
