The Story:

Nicole has the young, tight body of a teenager. I've never seen any masseuse who looks fitter and she is worth visiting for that. But everything in text on her website except the prices is not true. She obviously has received no training in B2B massage. She rarely smiles. She is not Brazilian. She says she didn't write her website and doesn't want to do what is on it. If a fantastic body is enough for you and don't mind that she is hopelessly untrained and argumentative then I recommend her highly. Before I had the first shared shower with her she insisted on giving me a very ordinary massage to use up the time that her version of a Nuru B2B massage takes, she said.
