The Premises:

Good clean, modern inside. Easy to find.

The Lady:

Millie has an amazing figure, clipping around the appartment in her heals really showed off every smooth feature she has. And a perfect smile too.

The Story:

We started with some DFK, I wore a button shirt just so she could take her time taking it off me (always a turn on for me). Her hands glided lightly over my body until she undid my jeans and then dropped to the floor for some amazing oral. Her hands playing gently with my balls and ass and then a suggestion by her (after I had engoyed her fingering) a strap-on. Never tried it, but glad I did. Swapped positions for a while as she lent over the bed, and to finish, more oral which blew my mind with a concluding CIM.

Millie, knows what she's doing, and made me feal relaxed and at ease from the very beginning. Nothing is forced, the whole session was a fantastic experiance and there was no rush felt as the end. In a word "smooth".
