### The Premises:

Clean house in a residential street. Safe area but the neighbours probably suspect what is going on.

Bedrooms were clean.

### The Lady:

A pretty white girl from Portugal. Very short and at first glance she appeared to be incredibly busty. This was an illusion caused by a fully padded, cleavage enhancing bra.

She speaks hardly any English. Communication was difficult.

### The Story:

I have used this establishment before and I'm generally happy with it.

On this occasion I felt let down. I paid £20 extra for OWO and all I got was a momentary suck. The whole fee was £80 for a 30 minute service. I only got 15 minutes and that included the wait on my own in the room before Carmen joined me.

The whole experience was rushed and below par.

Definitely one to avoid.
