The Premises:

Nice clean discreet apartment with easy parking near to town centre.
Pleasantly furnished, wide comfortable bed.

The Lady:

Jane describes herself as a mature lady, I would guess about 50, intelligent and friendly, very curvy size 16 brunette and a lovely 38dd pair of boobs.

The Story:

She put me at ease immediately starting with a nice kissing session before undoing her blouse so her breasts are on display in all their beauty before opening my trousers and beginning some gentle but persuasive oral pushing my fingers down to her clitoris which I wanked thoroughly until she gave an almighty shudder and came and came, this girl doesn't hold back and she doesn't restrict herself to an occasional cum but will come time and time again as long as you play with her boobs and pussy and that really is a turn on for me.

There was time for lots of shagging in a variety of positions until I came (sex is always protected). She can carry on a wide ranging conversation or talk dirty if that's your thing, I like my girls naked but she has a wide range of lingerie if you want her to dress up. I have visited a number of ladies over the years but this is the first report I've posted as a recommendation because Jane is something special, treat her with respect and all your fantasies could come true. A true GFE.
