The Premises:

I use to visit this establishment regularly years ago, the place back then had old deco. Fast forward to now, after a good few years I am visiting again and it was a pleasant surprise to see the place has been renovated to a good standard.

The Lady:

There was a line up of 4 girls, all 4 were looking very attractive, 3 of them looked to be in the 20s, 1 looked to be in her 30s.

It was a tough decision but I chose Nicky. She is in her 20s, told me she is Romanian, very good English, hot body, facially attractive. Friendly enough, but a little stand offish!

The Story:

A little bit disappointing. I paid for 30 mins, but I was out of the door after 20 mins. I opted not to have a massage, I probably would have got my full time if I did have a massage at the beginning of the booking.

I didn't ask if she specialises because I got the impression she doesn't. I did ask if she kisses, to which she said no. We had a cuddle on the bed, I asked if I can give her oral, she said yes, but no tongues inside the pussy, only lick the clit and outside and no fingers allowed. On with the condom for some decent oral, she then climbed on top for cowgirl, which was very good, she has got a tight pussy, finished in missionary. It was all a bit mechanical.

Nicky is a nice enough girl, if you like a massage, covered oral and sex with a hot Blonde, I would recommend, but if you are a demanding punter who has become accustomed to a certain level of service, I would not recommend her.

I don't know if I'll visit Victoria's again or not, maybe if they put up a website it would be helpful, otherwise it is a blind punt, you just don't know what you are going to get once you are in the room.
