The Premises:

Suburban house, on a busy road. But private and safe.

The Lady:

Fit late twenties, maybe early thirties. Lovely natural boobs and keeps herself in great shape. Great legs.

The Story:

Been meaning to try A for a long time and finally popped my cherry with Ellie. She has great oral (I know, everyone says this) - it was deep and firm and when she started on her knees sucking my balls as I stood over her, well, it took a lot of concentration not to pop.

Lovely vigorous cowgirl which got me on the edge and great to see her bouncing up and down - firm suckable titties.

Had a go at A-levels and Ellie can clearly take it, but I found it wasn't for me so finished with sideways sex Ellie is athletic and held a sexy position with her left left leg pointing up. I finished with a shuderring multiple climax - best fuck ever.

Totally recommend.
