Discrete entrance while is always a plus

The Lady:

Mel is slim with enhanced breasts. playful smile. nice tan. Mel is easy to talk to and looks like a porn star

The Story:

Mel came into the room while I was still getting undressed. Nice touch and much better than the 20 min wait you sometimes get.

She started with a sexy lapdance with kissing thrown in for good measure.

On the whole the service was fun sexy and energetic. Mel is very pretty and puts her experience as a lap dancer to good effect
