The Premises:

Very nice room at the top of one of the Annabella's properties. Clean, bathroom close by and well speced.

The Lady:

Unrecognisable from her website photos - in an excellent way. I saw a beautiful girl in the reception as I was being guided to the room and thought - Wow! Lovely long legs and pretty and busty in heels - my favourites. I wonder what Carla will look like. 2 minutes later, the same girl entered my room. She looked so different and much younger then in the frankly unflattering web photos. Instant happiness. Dressed in a lovely corset style top and flimsy panties with stockings and beautiful black heels. Beautiful firm boobs and pretty face. Bonanza time!

The Story:

This was a repeat visit after an earlier 30 minute appt that morning - when I didn't recognise her as described above. Yes, she is that good. Instant return and instant addiction.

Carla instantly makes you more than welcome and kisses beautifully to relax and stiffen you.

Relatively quick dis-robing by both of us and then some more lovely kissing, leading to OWO, in various locations around the room and in front of the mirror. We dabbled in RO, mutual masturbation, dirty talk, fantasy talk, the list goes on but basically I enjoyed a superb oral to finish before we relaxed with a massage and then moved on to some stimulation for Carla and then round two for me. A lovely girl to talk to and relax with as well as being very addictive and willing to indulge my particular pecadillos.

Will I be back? Only a question of when and how many times? Spoil yourself and visit this beautiful mademoiselle asap!
