The Premises:

Not far from Longbridge roundabout. Small flat with free parking close nearby.
Easy access to building and fairly discreet.

Flat is very small with bedroom off the lounge.

The Lady:

Quite friendly, very petite, probably size 6, fairly attractive girl with dark blonde long hair. Small breasts (A cup?), but nice bum.

The Story:

We started with mutual massage. Her massage on me was a nice mix of firmness and teasing. I returned the favour and explored her whole body while massaging - this confirmed just how tiny she is and I felt like a big fat bloke next to her. Then on to reverse oral to which I got very appreciative noises and squirming so I believe we both enjoyed!

It was my turn next and she had a great oral technique and I had to stop her before things went too far. We finished the session with cowgirl.

I definitely would like to go a second visit with her soon.
