The Lady:

Late 30's petite sexy red-head, dressed in gorgeous lingerie, a matching bra and g-string set, and a silky wrap over it. Very sexy killer heels finished the look perfectly. Natasha has a slim, petite body, but with a gorgeous curvy bum.

The Story:

The session started by Natasha coming into the room and we got straight down to some serious deep french kissing, I grabbed her gorgeous arse whilst doing this, she encouraged me by grinding into my body, and rubbing up and down on my by now rock hard cock.

Natasha then dropped to her knees and treated me to amazing OWO, with lots of eye contact. Another brief snogging session, then it was onto the bed for a 69. She had a very tasty pussy, and it was great to feel those arse cheeks again. Natasha then slipped on the condom, and rode my cock reverse cowgirl, this was a wonderful view and feeling of her arse cheeks bouncing up and down on me.

We then did cowgirl, and missionary to completion, with passionate snogging throughout.

All in all, an absolutely amazing session with a very sexy lady.
