The Premises:

Easy to find and good directions given. Ground floor flat bedroom was clean and warm. Parking easy and felt safe during the day, not sure about after dark.

The Lady:

Age stated as 43, add another ten and you may be close. Dressed in black leather look top, felt like plastic, and suspenders with lacy stockings and small g string.

The Story:

Have been meaning to visit this lady for a while after seeing her profile on A/W where her photo's look quite good, so booked a 30 minute session for ?60. Once there was shown straight into bedroom, paid and she left the room while I undressed. Back she came and started wanking me and giving blowjob without taking anything off, I managed to get fingers inside her thong and played with her pussy, then suggested she take top and nickers off so I could give her reverse oral. So far so good, but she then insisted on wanking me off over her boobs until I came. Okay I thought, round two to come, How wrong was I? She made it perfectly clear that the session was over, cleaned herself up and showed me the door. All in all I was there 10-15 minutes. Nothing on her likes list was offered. Will not be returning.
