### The Story:

This was my second appointment with Adele. She dresses perfectly - excellent lingerie which hasn't stayed on too long, high heels and hold-ups - need I say more. Adele is an oral expert (and I have had the pleasure of meeting some really great exponents of the art). I could have spent the whole session in her mouth. Adele straddled me and we then had some doggie, mish and finished by exploding in her mouth. Adele is a bright, intelligent woman who is a pleasure to spend time with. She is also a twitter expert with a twitter name that says it all .. @sexhungrymilf - hard to believe she's a milf!
