The Premises:

Place is fine. The new bed is great.

The Lady:

Alex is sexy. She is a bit taller than what I generally prefer but she definitely got me very excited.

The Story:

I had a superb time. Even 3 hours later I am still smiling. She is incredibly perceptive and skillful. She followed the role play very well. My preference is sex with several fantasies, and she did it very well. Among others, we had a long 69 and sex thereafter.
