The Lady:

Very attractive in a girl next door sort of way, reportedly 23 which is a bit older than I would have guessed - I would have said 20, slim, very small bust, completely shaved between the legs, above average in height, brunette, likened in appearance to the singer Sophie Ellis-Bexter by another reviewer which is a reasonable comparison.

The Story:

Prestige's website says this of her: "Zoe can't wait to fulfil all your fantasies..." I can vouch for the accuracy of this statement as you'll read later. Who would have guessed that under the fresh faced college undergraduate appearance was a young lady with....errr... such a healthy interest in sex.

She arrived 5 minutes after the booked start time hugely apologetic but the agency had already rung me to let me know that she'll be very slightly late because of transport difficulties. Such commitment to punctuality reflects very well on Prestige's professionalism which has been apparent in every aspect of my dealings with them.

Zoe's interpersonal skills are excellent coming across as being extremely self assured for her years as she confidently led on the icebreaking chit chat for a couple of minutes before moving seamlessly on to letting me know the sort of things she likes done to her.

This was said matter of factly rather than from a porn script - that was to come later when I asked whether she talked dirty to which she responded "I love talking dirty" and verbal filth became the main theme our dialogue for the rest of the session.

The service provided was a very realistic GFE with plenty of dfk, owo and intercourse in a variety of positions (her fiverties are being on top and doggie) and included a couple of acts often provided by other ladies only on a discretionary basis if at all. Her standard response to anything I asked her to do to me was either, "I love doing that" and "I wouldn't mind giving that a try" delivered very

convincingly as if she really meant it. This gave me the confidence to ask for my toes to be sucked which she did most willingly.

As the blurb on the website states "Zoe can't wait to fulfil all your fantasies..."
