The Premises:

Cple of mins from Paddington and Bayswater tube.

Flat itself was relatively clean.

The room was dirty and the bed was gross. I saw the previous punters etc hair and other bits.

She also left the door open whilst we were at it.

The Lady:

Brunette, nice physical appearance. East European (Latvian/Russian).

Nice boobs.

The Story:

Apart from the physical appearance which was good but not excellent, the attitude of Jessie (who will most likely appear under a different name v soon) was terrible. It felt like having sex with a door or piece of furniture. For £180 you would expect some cooperation, but she was not interested. I should have walked but you know what its like when you not get laid.
