The Premises:

A very discrete and comfortable new build apartment. Very clean and warm. I felt completely safe. Plenty of parking available although I came by public transport. Chloe gave me very clear details as to how to get to her place from the train station.

The Lady:

Very similar to the photos on her website where, of course, her face is obscured.

The Story:

A great time spent with a warm, friendly, honest and intelligent Lady. Chloe gives her age on her website as 40 but she could just as easily given her age as 30 and no-one would be the wiser. This was my first visit to this lovely Lady and she greeted me with a lovely sexy kiss and made me a coffee which we drank sitting on her bed and getting to know one another. Chloe sensed that I was a little nervous and went out of her way to make me feel at home. Chloe undressed herself and me and the action started with some wonderful french kissing by Chloe. All of the services advertised on her profile were made available to me in a professional but not mechanical fashion. I consider it important that the Lady enjoys herself and I think Chloe did. She is no clock watcher and, when the hour was up, she invited me to join her in her shower. This was a first for me and what a way to finish off a wonderful hour. Chloe is a legend and the legend has well and truly returned. I am an old guy and she made this old guy a very happy man. I live a long way from Bletchley and it took me some 2 and a half hours to get there. It was worth every minute of that time and I can't wait for my next visit to Chloe. Please treat this lovely Lady with the respect she deserves. Thank you Chloe, you are a star.
