The Premises:

Big anonymous mansion block, basic apartment. nice modern bath

The Lady:

tiny - must be under 5 foot. slim, pretty with one inverted nipple and the other like a .44 magnum round!

The Story:

Asked agency for assisted bath, which was ready on arrival. Lilly joined me in the bath, soaped me down and started sucking my cock. We moved to the bedroom and she sucked like a Hoover for over half an hour until I unloaded in her mouth. My fingers went everywhere with no complaint. Then a so so massage until the hour was up. absolutely no kissing but I don't think it's a listed service anyway. Lilly worked hard and was keen to please. She is amenable and sweet and I'd definitely recommend to fans of tiny Asian girls. Too many more to see to go back.
