The Lady:

Young white English lady, 22 years old, dress size 10, 5'6", 34" D, natural, a few discreet tattoos and one discreet piercing. Photos on her web site are definitely her and are accurate.

The Story:

Ava arrived as arranged to meet me at the bar of my hotel where we shared a glass of wine each and got to know a little about each other. I have to say I found her unbelievably easy and fun to chat to, almost instantly relaxing my pre-meeting apprehensiveness. She is so warm, open and friendly, we could easily have spent the rest of the evening in the bar chatting.

But of course we did more than that and in due course repaired to my room with our drinks. Whereupon all inhibitions were lost. Ava is a natural and exuberant lover - empathetic and very responsive to how I wanted the session to proceed. I can honestly say I don't think I have ever enjoyed a WG encounter more. Not a clock watcher - we chatted for a quite a while after the allotted time about our lives and about popular music from days way before she was born. Unreservedly recommended.
