The Premises:

Much reported on: dedicated parking, also close to station, lift up to rooms - which are well presented - nice cup of tea from the even nicer Yvonne, who invited me to use the all-round-mirrored VIP room.

The Lady:

Both, I guess, in their thirties. Sadie is shortish, with a curvy body and cracking thighs. She looks slightly oriental. Terree is taller and bigger (in a "nice handful" sort of way) and with large boobs. Both wore stockings, at my request.

The Story:

I had asked them to enter the room with their bras off and tits out; also with no knickers on. In addition, they were to play submissive, obedient and compliant. They both did this to perfection, and I had a wonderful half-hour. They said that they would do "anything that you [I] want", and actually begged me to fuck them, after I had teased them a bit with the end of my dick on their clitties. This was an extremely convincing role-play indeed. I took them in a variety of positions and combinations, and came, finally, somewhere near their faces and mouths (not entirely sure of the exact site!). Throughout, there had been copious quantities of OWO and DFK.

A lovely massage to calm things down, then on my happy way. This was about as perfect as it gets: they are star performers.
