The Premises:

Great Location, 5 mins walk from tube, very nice up market ground floor apartment on a busy street. The room itself was spotless and sumptuously decorated, with a big ensuite shower room and plenty of mirrors 10/10 so far...

The Lady:

Elise looks gorgeous in her photos and exactly the same in person! Beautiful big blue eyes, all over tan, everything is tight and most importantly a lovely smile

The Story:

I booked at last minute as I had some spare time, the maid was lovely and said she would book in for 5:15 but if I was early I could come in and wait. I got there 10 mins early and was shown to the room and given use of the shower which worked out well so I could sit on the bed and read a magazine while I waited.

At 5:15 the door opened and this stunning girl came in wearing just her underwear and high heels and greeted me with a firm tongue in the mouth, before I could introduce myself we were in a passionate embrace on the bed...

The next 30 mins is a blur of licking, sucking, teasing, spanking and fingering, Elise really gets into it, at first she said no to Anal play but when she was bent over with me finger her and getting wetter she asked me to slip me little finger in and loved it. Finally she slipped on a rubber, sat on my cock and fucked me while I watched her in the mirror, before long it was all over, she was impressed with my load and said next time she wants it in her mouth.

Definitely no clock watching, a perfect experience. I will return
