### The Premises:

The area is in a very discreet area, it was private and I felt ever so secure, lot's of free parking.

Her flat is at the high spectrum of hygiene, décor and affluence.

### The Lady:

As other reviewers have pointed out, she looks better face to face, beautiful curvaceous body, delicious creamy skin and a kissable face to match... A sexy lovely lady... yum

### The Story:

Chloe is the consummate professional with a gorgeous personality that makes you feel highly engaged with her and at the same time at ease. She would be excellent with nervous first timers or a seasoned pro.

I opted for a sensual GFE, so plenty of DFK, mutual oral and lot's of fluffy girl friend / girl friend play "wink... wink". Chloe indulged in my role-play ideas and expanded this exponentially, incorporating her own ideas to make the fantasy more potent and more of a turn on. She is a seductress and knows how to press the right buttons to get your motor going. I really loved the shared bath experience, so very sensual with the candle lights going and both of us enjoying each others bodies and mouths in the nice warm water... mmmmmm lovely.

She kisses divine and I could not ask for more in the level of service she delivered to me, What a treat. She never looked at the time, I was with her for over an hour and she still offered a shower and refreshments, no wonder she is considered one of the best ladies to meet.

I would not hesitate in seeing Chloe again, she is a wonderful lady. Please treat her with respect, arrive squeaky clean and fresh breath and she would take you to the next level of paradise.
