The Story:

came out of nice shower & Danni walked in the room, we had a nice little chat then she gave me a massage. She rubbed her nice big breasts on my back then turned me over & kissed me, it was so nice I just kept on going then she slowly gave me a really nice OWO, it was amazing then I layed her down & gave her a massage which she really enjoyed & then went to taste that pussy of hers, it was really nice & sweet, then went for the sex, it was amazing relief & the best experience I've had for a long time. Thanks Danni & would definitely see you soon.
