### The Premises:

Debbie's was as ever clean safe and welcoming. Tea up to usual excellent standard. Chat and humorous asides from Debs - "would you like biscuits or will you stick to the crumpet?" - gives the flavour. Home from home but with better sex

### The Lady:

Tall natural blonde with curves where they should be - Chloe is stunning with a radiant smile. I felt as though I had known her for ages. Lovely lady

### The Story:

My welcoming kiss was seriously breathtaking and having been assisted to undress we hit the bed snogging (no better word for it) like a pair of teenagers. While coming up for air we discovered a mutual love of oral sex so after taking turns (lady first) we settled into a 69. During this Chloe got her foot stuck in the bed head reducing us both to a fit of giggles. After a gentle ride cowgirl style for form's sake we returned to our mouthy pleasures as Chloe sucked me to completion.

We cuddled and chatted for a bit after then I headed off. Chloe is the best GFE I've had in years, a wonderful lady worth her weight in gold.
