Samantha's is a higher end parlour, though not quite in the luxurious category.

The Lady:

Very attractive, slightly exotic looking brunette, dress size 10, maybe late 20s?

The Story:

Jasmine is an intelligent and customer friendly lady with an interesting repertoire of specialities, her forte being humiliation and domination - extending well beyond the "mild" suggested on Samantha's website if desired. Jasmine is imaginative and adventurous, making her an ideal choice for this sort of service.

On this visit I was told to worship Jasmine's beautiful bare feet as she reclined on the bed whilst taunting me with stories of how she had humiliated her other slaves who had failed to please her and threatened me with a similar fate, which I don't doubt she would have carried out.

Jasmine seems to genuinely get into this sort of service and was interested to hear about my experiences with other ladies. In fact, Jasmine is such a pleasant lady to converse with, I will probably upgrade to hour visits in future.
