The Story:

I had been looking forward to seeing Gabriella for quite some time and I wasn't disappointed. I was hoping for a dirty PSE session and she was excellent. I probably didn't take full advantage though as I wasn't forceful enough myself! When she was on her knees giving me OWO she encouraged me to go harder by placing my hands on the back of her head...

I had an excellent time and she had a great attitude. Finished with CIM, and after we chatted for a while she brought me to attention again and told me she wanted me to play with myself in front of her and cover her face...

Only slight disappointment was that she didn't want me to go down on her, but this was my fault - I hadn't shaved and so had rough stubble which would have been uncomfortable for her. I know to shave just before I see her next time!
