The Lady:

From the photos you just cannot see how attractive she is. Kim is now a blond and she is very pretty, with a great figure. She has a large tattoo but it is shown in the pictures so you can make up your own mind on that.

The Story:

Kim is a very nice and easy going. She enjoys the variety of work on offer at the Retreat and take pleasure in the creativity it allows. She takes great care to find out what you like and what your limits are. I loved it when she asked " and how do you want to finish - would you like sex?" It is the sort of question you dream of being asked by a sexy, partly dressed young woman, surrounded by whips and canes.

She is not a stand offish like some doms and I liked the way she could be kind to naughty boys who take their punishment well. She offers a sort of dom/GFE mix - a taste of the whip followed by the taste of her lips.

I had a very good time with her and if you enjoy the services on offer at the Retreat you will certainly enjoy a meeting with Kim.
