The place was nice, in a good area, easy to find.

The Lady:

Lindsay(or Lindsay) was super hot and beautiful. To be honest, I didn't expected her to be so sexy. Biggest natural boobs I have ever seen. Long hair, curvy figure, lips to die for. Looks quite young for a women in her early 40s.

The Story:

I have been with 6-7 escorts before. Lindsay is my best experience so far. As soon as she entered the room, I couldn't stop myself and kissed her boobs. She has an experience how to treat a man of every kind. I am 25, but she didn't let me to feel age difference. She is a pro in FK and giving OWO. She really enjoys having her boobs sucked and kissed. But actually she likes everything what is included in her services. I liked not just the sex, but our conversation as well. She will treat you like a friend if you want to talk. After my last disappointment with a busty young escort, Lindsay was a right choice for recovery. I use escort services once in a month. I am definitely going to see her again next month.
