The Story:

This was my first visit to a parlour and wow, it won't be my last. Already planning my next visit to Holly, going for 2 hours this time, 1 hour went just too quick. Holly quickly put me at my ease when I said it was my first time at a parlour, so therefore did not rush things and just let everything happen naturally. Opted for OWO and doggie, well worth it. I will definitely be back to visit Holly, sooner rather than later.
