Nice and clean, in a safe area with easy parking (for a Sunday).

The Lady:

Petite would be the word for Marcella, she has a great 8-10 figure with the most gorgeous arse and nice clean-shaven pussy. Fabulous dark smouldering eyes and a killer smile. Made me very comfortable being with her.

The Story:

Marcella was affectionate and very attentive. It was a real thrill to peel off her everyday clothes while enjoying some lovely kissing, it was just like being with a real girlfriend. Her talent for oral is mindblowing (excuse the pun) and it wasn't long before she got me on the brink, but I desperately wanted to enter her, so on with the "hat" and we got down and dirty, in any number of positions. My favourite is on top so I can look into her eyes.

An hour most certainly well spent.
