The Premises:

Well up to usual Scorpio standards

The Lady:

Carmen is Rumanian, beautifully sculpted, tight wee figure, black hair and ready smile. If you're looking for 42DD, forget her. If you like neatness and a tight pussy, this is the one.

The Story:

Carmen is 24, and has been in the business since she was 18. She LOVES sex, has good English, and got straight down to biz as soon as we entered our berth. Lovely little tight breasts, tightest bum I

I've ever known, and a tight pussy to match (and with big lips too).

We cuddled and groped, then I licked her to first cum. She oralled me (she only does covered), deep-throating my cock. We mounted and kissed and groped and shagged. This is one lady who is all over you with such energy. Point to remember: her 22-year-old sister Jessica is on the Scorpio books, and also works with her, and is another looker. Memo to self: must have a sisterly double some time.

So we shagged ourselves stupid, and finally I came in doggy, with Carmen joyously yelping away.

Doesn't get much better than this!
